From the Quarter Master General ..... Here enter 31st March 1866, No. 3487.
Report from the Controller of Military Accounts. ,, 6th April ,, A.

From the Quarter Master General, Fort Saint George, 31st March 1866, No. 3487; to the Secretary to Government, Military Department.

With reference to Order of Government, No. 709, dated 23rd February last, sanctioning payment of compensation for the huts and buildings of the followers of the Royal Artillery at Trichinopoly, ordered to be removed on sanitary grounds, I have the honor, by desire of His Excellency the Commander-in-Chief, to request the sanction of Government to the payment of Rupees 741-7, for the land on which the huts stand. The land is private* property, and the price to be paid for it, as above stated, is that settled by the Public Works Department.

* *See paragraph 2 of letter, No. 274, dated 25th November 1865, from Officer Commanding Southern Division, on page 1 of Proceedings of Government, No. 709, dated 23rd February 1866.*

From the Officer Commanding Southern Division, Head Quarters, Trichinopoly, 15th March 1866, No. 110; to the Quarter Master General, Fort Saint George.

With reference to the Proceedings of Government and Order No. 709, dated 23rd ultimo, sanctioning the disbursement of Rupees 779, to compensation payment, of the valuation of the huts of the horse-keepers and grass-cutters of the Royal Artillery, and Cockeyetope Parcherry, near the European Detail Hospital at Trichinopoly, I have the honor to attract your attention to the 2nd paragraph of my letter of the 21st November last, No. 274, wherein I expressly state that the amount of compensation for the huts is required in addition to the price of the land, which is at present private property.

2. The price of the land as arranged by the Engineer Department is Rupees 741-7, for which no provision whatever has been made, consequently no orders can legally be issued by me for the removal of the objectionable huts in question, until the proprietary right to the land itself has been acquired by purchase on behalf of Government.

3. You are probably aware of the very great difficulties which obtain at this station on the subject of land, nearly the whole of which in this mis-called Military Cantonment is private* property, and as I am informed there is scarcely a property held in it under the Regulations of your Department. It therefore becomes necessary before any sanitary improvement, of a nature similar to the removal of these huts, can be carried into effect, on land not the property of Government, that the Government be prepared to acquire a proprietary† right to such land as may be required for the purpose.

* *Inam land.*

† *By private purchase, or under Act VI of 1857.*

No. 495. From Major J. G. Touch, for Controller of Military Accounts, Fort Saint George, 6th April 1866, A; to the Secretary to Government, Mily. Dept.

I have the honor to forward a letter from the Quarter Master General, dated 31st March 1866, No. 3487, requesting the sanction of Government to the purchase of the land on which the huts referred to in the Proceedings of Government, No. 709, dated 23rd February 1866, near the new family quarters and in the Cockeye tope in rear of the European Detail Hospital at Trichinopoly, stand.

Rupees 741 7 0

2. The land being now private property, the purchase appears to be necessary to secure the sanitary conditions which was the object of its clearance.

3. The charge may be met from grant 15 "Contingencies."

Proceedings of the Madras Government, Military Department.

No. 496. ORDER, No. 1440, 24th April 1866.

Sanctioned, as requested, for Rupees (741-7,) seven hundred and forty-one and Annas seven,—the charge being met as proposed by the Controller of Military Accounts.
