Proceedings of the Madras Government, Public Works Department, 4th May 1867.

No. 106. Read the following letter from the Secretary to the Government of Bombay, Railway Department, to the Secretary to the Government of Madras, dated Bombay Castle, 24th April 1867, No. 819:—

1. I am directed to acknowledge the receipt of your letter No. 754, dated 15th March last, relative to the Junction Railway Station at Raichore, and the bridge under construction across the Kistna.

2. In reply, I am directed to forward copy of a letter, No 2,040, dated 3rd April 1867, from the Agent, Great Indian Peninsula Railway Company, and to express the opinion of this Government, that the arrangement to be made for the joint station at Raichore should be similar to those already agreed for the station at Jubbulpore.

From H. RIVERS, Major General, Agent, to the Consulting Engineer for Railways, dated Bombay, 3rd April 1867, No. 2,049.

1. In reply to your letter No. 987, of 29th ultimo, I beg to state that it is the desire of this Company that a similar arrangement be made for Raichore Station as we have settled at Jubbulpore, viz, that while in architectural effect the station may be a joint one, each Company will pay for its own share, and all the booking Offices and other accommodation be quite distinct.

2 I shall forward to the Madras Company a rough design as soon as I have obtained it from the Chief Resident Engineer.

3 I do not anticipate that the Kistna viaduct will be behind the other works now we have at length settled the design. This I shall also submit at an early date to Government.
