Proceedings of the Madras Government, Public Works Department, 4th May 1867.

No. 124. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 25th April 1867, No, 412 :—

There are no less than twenty-four almirahs full ofrecords under my charge appertaining to the late Office of the Chief Engineer, and these records are, I regret to say, in a very dishevelled state. They require to be carefully gone over, sorted, and arranged. Lists should be made of the numerous plans, and a general inventory requires to be taken of the contents of the various cases containing the records. All this I am unable to attend to with my present Office Establishment, and I have the honour to request that I may be allowed to entertain two persons at the rate of 15 Rupees a month, for a period of three months, making a total charge of Rupees 90, to be paid out of " Petty Establishments."
