Proceedings of the Madras Government, Public Department,
10th January 1867.

Read the following papers:—

No. 78. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Madras, 14th December 1866, No. 3664.

The Estimate, Rupees 10,350, sanctioned in G. O., No. 3474, dated 20th November 1863, for erecting an Iron Railing between the General Hospital and Medical College, and for laying out a garden, has nearly been carried out, Rupees 7670-8-5 having been spent on the works up to 31st October last.

2. The Executive Engineer, Southern Range, having represented to me that however much we may effect by way of improvements, all our labor and money will be lost, unless some permanent conservancy establishment is provided for watering the flowers, weeding the beds, and cleaning the walks in the garden in front of the Hospital, I applied to the Inspector General of the Medical Department, asking him to arrange to look after the garden, by means of the Hospital Establishment, but that Officer states that none of the Hospital servants can be spared for the purpose.

3. Under these circumstances, I have the honor to request that you will be good enough to obtain the sanction of Government for a permanent Establishment of four gardeners, at Rupees 5 each per mensem, the outlay being met from the sum of Rupees 1,80,000 set apart for Petty Establishment for the current year.

Referred to the Public Department. The charge is one which is not debitable [illegible] Public Works Budget.

Secretary to Government, P. W. D.

Referred to the Principal Inspector General, Medical Department.

FORT SAINT GEORGE,
27th December 1866.

No. 79. From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 3rd January 1867, No. 1.

With reference to the letter of the Superintending Engineer, 4th Division, referred with your docket of the 27th ultimo, I have the honor to state that the Menial Establishment for the General Hospital being not more than equal to their ordinary duties, it is very desirable that the grounds of the General Hospital should be kept neat and tidy, and beg to suggest that an Establishment of four gardeners, at Rupees 5 each, be sanctioned for this purpose, and that these servants be brought upon the Establishment of the General Hospital.

No. 80. ORDER THEREON, 10th January 1867, No. 36.

The Governor in Council sanctions an addition to the Establishment of the General Hospital of four gardeners, on a salary of Rupees (5) five each per mensem, to keep in order the garden in front of the Hospital.

Proceedings of the Madras Government, Public Department,
10th January 1867.

2. The charge, during the current official year, will be defrayed from the source proposed, and the Government of India will be requested, in the monthly Statement of fresh charges, &c., to sanction the same as a permanent charge.
