Public Works Department, letter No. 249 M, dated 9th March 1867, to the Surveyor General.

Read also—

Letter from the Surveyor General of India, No 294, dated 1st April 1867.

OBSERVATIONS.—The Secretary of State in Despatch No 110, dated 16th April 1864, above read, desired to be furnished with a set of plans of each Military station in India, according to specimens therewith sent. The plans required are as follows—

No 1.—Map of the country in the vicinity of the Military station, on a scale of four miles to the inch.

No. 2.—Map of the town or station at which the troops are quartered, on a scale of six miles to the inch.

No 3.—Plan of the Military buildings themselves, showing precise nature and extent of accommodation therein afforded, on a scale of $\frac{1}{16}$, or 10 56 feet to the mile.

2. It has been decided by the Government of India that Plans Nos. 1 and 2 shall be prepared wholly in the Surveyor General's Department, with such assistance from Executive Engineers as may be obtained from the existing plans in their Offices; and that Plan No. 3 shall be prepared by the Public Works Officers on receipt of lithographed copies of a specimen plan of the Aldershot Military buildings, which is now being printed in the Surveyor General's Office.

ORDER.—Ordered, that these observations, with a copy of these papers be forwarded to the Local Governments and Administrations noted in the margin, for information and guidance, with a
