*Proceedings of the Madras Government, Public Works Department,
14th May 1867.*

No. 342. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Yettinhatty, 6th May 1867, No. 368 :—

1. I have the honour to request the permission of Government to my appropriating, for Government, the security money lodged by D. Baupiah, late an Overseer in the Bellary District, and who was dismissed by me on the 3rd ultimo, after having been tried by the Joint Magistrate for cheating, &c., and sentenced to a year's imprisonment, &c. A proper

Vide letter No. 39, dated 4th ultimo.

Memorandum of Agreement was taken from him, and the amount of security lodged in the Government Savings Bank.

2. I cannot state the exact amount of loss to Government, but have reason to believe that Baupiah had been systematically cheating for some time past, and, if he had not been found guilty on the one charge, I should have had him tried on a second. On taking stock of the

tools that had been under Baupiah's charge, a deficiency has been found.

3. Besides the security money of Rupees 200, there is a sum for interest (the exact amount I do not yet know), and also the pay and travelling allowance for March last. I would beg to know if these are to be forfeited by Baupiah, as well as the security money in order to cover the defalcations, or if they are to be paid over.
