Report from the Controller of Military Accts... „ 4th May „ A.

From the Superintending Engineer, 4th Division, Madras, 1st April 1867, No. 18, to the Secretary to Government, Public Works Department.

In December last, Alwar Chetty, the contractor for the Fort conservancy carts, petitioned that his rates might be increased on the ground of the great scarcity that prevailed and the consequent rise of prices. Subsequently he intimated to this Department that, if the increase applied for were not granted within a date which he fixed, he would withdraw his carts and men, &c.

2. On learning from Captain Goddard that the agreement originally entered into with Alwar Chetty had terminated some time ago and had not been renewed, the Executive Engineer was directed to call for fresh tenders, to relieve Alwar Chetty, and to make arrangements on “Amāne” until the tenders were opened, and a new contractor obtained. This was done, and it entailed an expenditure of Rupees 32 for carts employed in the interim. The amount has been paid from the general funds and has been debited in the accounts to the head “miscellaneous advances.” I have now the honor to request that the said sum, viz. Rupees 32, may be recovered from the Military Department, and re-paid to this Department, in view to the adjustment of the accounts.

Referred to the Military Department, for the issue of the necessary orders.
