*Proceedings of the Madras Government, Public Works Department,
17th May 1867.*

No. 289. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 7th May 1867, No. 139:—

I have the honour to submit, for the orders of Government, the enclosed copies of correspondence that has passed between this Office and the Controller, on the subject of Captain Hasted's deputation allowance for March last. The Controller appears to ignore the claim on the score that Captain Hasted's appointment was not notified in the Gazette. Although Captain Hasted was not gazetted as Officiating Superintending Engineer, his name however appears at page 847 of the Gazette of the 12th April "to conduct the duties of Superintending Engineer during Captain Oakes' absence." Under such circumstances, I cannot see what objection the Controller can have to admit Captain Hasted's claim.

No. 390. ORDER THEREON, 17th May 1867, No. 1,484.

ESTABLISHMENT, No. 38.

The Government did not intend that the order directing Captain Hasted to conduct the duties of the Superintending Engineer of the 6th Division should confer any claim to deputation allowance.

To

The Acting Controller of P.W. Accounts.

Sir

In submitting Captain Hasted's Supplemental Bill for March which was returned with your letter No 253, without date, I beg to state that the concluding sentence of para 8 of the Financial Resolution of the Government of India under which you have disallowed the Deputation allowance does not appear to be applicable in the case in point, for although Captain Hasted is attached to the

Same.

same Division which comprises
two Districts, he is decidedly not
posted to the same Station as
Captain Oaker for their Head Quar-
ters which is considered their
permanent or fixed Station and
about 63 miles apart - Under
these circumstances I trust that
the subject may be reconsidered

Sir

In reply to your letter of the 27th
Instant. No 99, I have the honor to
state that as a rule a "District" has
always been considered as a "Station",
also under the ruling in Circular No 6
of the Accountant General P. & A. R. & B.
dated 28th March 1865 para 13, Com-
municated in Proceedings of Govern-
ment No 1203 dated 3rd May 1865, —
Captain Haxton is not entitled to Deputi-
tion Allowance unless his officiating
Appointment is notified in the Gazette.

2. I beg therefore to return Captain
Haxton's Bill, unaided, for submission
to Government, if you think fit to
refer the matter for order.
