*Proceedings of the Madras Government, Public Works Department,
17th May 1867.*

No. 393. Read the following letter from the Officer in charge of Public Works Store Department, to the Secretary to Government, Public Works Department, dated Chepauk, 11th May 1867, No. 149:—

1. I have the honour to report the loss of two bars of 2-inch square iron, while being shipped on the "F. C. Clarke," on the 20th June last, and to solicit the sanction of Government to their value, Rupees 18-9-9, being written off the Stock Accounts of the Store Department.

2. The iron in question formed part of a consignment to the Superintending Engineer, 2nd Division, and while being shipped fell overboard alongside the vessel. The Shipping and Landing Agent, in reporting the circumstance to the General Superintendent of Public Works Stores, requested that two other bars of iron might immediately be sent to re-place those lost, as the ship would leave the following morning, intimating that the question of the recovery of the value of the missing bars would be referred to the Superintendent of Marine. Two bars of iron were accordingly sent for shipment.

3. The Superintendent of Marine, in his letter of the 23rd April 1867, states that he has found it impracticable to recover the value of the two bars of iron lost overboard while being shipped on the "F. C. Clarke," as she had left the port before

the demand was made, and the Agents
21st June 1866. had finally closed the accounts and remitted the balance due to her owners. Under the above circumstances, sanction is requested to write off to "profit and loss" the value of the iron.

No. 394. ORDER THEREON, 17th May 1867, No. 1,486.

ACCOUNT, No. 34.

Under the explanation afforded, authority is granted for the value of the iron in question, viz., Rupees 18-9-9, being written off the Stock Accounts of the Public Works Store Department.

Sir,

I have the honor to report the loss of two bars of 2 inch square iron, while being shipped on the "F. C. Clarke" on the 20th June last and to solicit the sanction of Government to their value, Rs. 18-9-9, being written off the Store accounts of the Store Department.

The iron in question formed part of a consignment to the Superintending Engineer 2^d Div, and while being shipped fell overboard alongside the vessel. The shipping and landing agent, in reporting the circumstance to the General Superintendent of P. & S. Stores, requested that two other bars of iron might immediately be sent to replace those lost, as the ship would leave the following morning, intimating that the question of the recovery of the value of the missing bars would be referred to the Superintendent of Marine. Two bars of iron were accordingly sent for shipment.
