Proceedings of the Madras Government, Public Works Department, 20th May 1867.

No. 455. Read the following Proceedings of the Madras Government in the Revenue Department:—

Sanctioning an estimate of Rupees 43,930 for making and metaling the road from a point about 2 miles and 100 yards from Guntoor towards Suttanapilly, in the Kistna District. } (Here enter 15th March 1867, No. 1,092.)

No. 456. ORDER THEREON, 20th May 1867, No. 1,513.

LOCAL FUNDS, No. 49.
Civil Works.

Communicated to the Superintending Engineer of the 2nd Division.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Revenue Department,
15th May 1867.

No. 219. Read the following Proceedings of the Board of Revenue, dated 3rd May 1867, No. 2,728.

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Circuit Cutcherry at Vadaly, in Gudewada Talook, dated 27th March 1867, No. 79 :—

1. I have the honour to forward, herewith, plan* and estimate, amounting to Rupees 43,930, for making and metaling the road from a point about 2 miles and 100 yards from Guntoor towards Suttanapilly, together with copy of a letter from the Superintending Engineer, 2nd Division, dated 16th March 1857, No. 216.

* Sent by banghy.
1 Survey Plan.
1 Detailed Estimate.
1 Abstract Estimate for Rupees 43,930.

2. This work was entered in Part I. of the Local Fund Budget for the official year 1867-68. Provision to the extent of Rupees 6,000 was also made for that year.

3. The necessity of the work is fully explained in paragraph 2 of the above letter, No. 216, in which I fully concur.

4. The further allotment of Rupees 6,000, required by the Superintending Engineer, will be included in the Supplemental Budget for 1867-68.

5. I, therefore, request the Board will be pleased to obtain the sanction of Government for the estimate in question.

From the Superintending Engineer, 2nd Division, to the Collector of the Kistna District, dated Masulipatam, 16th March 1867, No. 216.

1. I have the honour to forward survey and estimates, as per margin, for making and metaling the road between Suttanapilly and the point about two miles from Guntoor where the present made road terminates, and shall feel obliged by your submitting them after countersignature for the sanction of the Board of Revenue and Government.

1 Survey.
1 Detailed Estimate.
1 Abstract Estimate for Rupees 43,930.
1 Specification Report.

2. The route referred to forms the principal highway from the Palnad cotton field to the coast, and by it yearly merchandize to the value of several lacs of Rupees is exported. Its importance will, therefore, I think be at once recognised. It traverses heavy cotton soil, which in time of rain becomes impassable, and stops all traffic. Gravel and metaling is procurable with difficulty, and the cost on an average will, therefore, be Rupees 2,250 per mile. I have not allowed for any masonry works in the present estimate, as I have not had leisure personally to examine the line with that minuteness I should desire before proposing works of a permanent nature.

3. Rupees 6,000 have been granted in the Local Fund Budget on account of the work in the next official year, but as I believe funds are plentiful, I would propose that an additional Rs. 6,000 should be included in the Supplemental Budget which you are about to forward to the Board.

Enclosure No. 2.—Plan.

Enclosures Nos. 3 and 4.—Estimates.

Enclosure No. 5.—Specification Report.

Submitted for the sanction of Government. The work should not stop short at Suttanapilly, but should eventually be continued to the westwards. The cost of the permanent masonry works which will be required should be approximately stated without delay.

Proceedings of the Madras Government, Revenue Department, 15th May 1867.
