*Proceedings of the Madras Government, Public Works Department,
20th May 1867.*

No. 457. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 7th May 1867, No. 28 :—

On my last visit to Cannanore, in March, the Executive Officer brought to my notice the insufficiency of all remedial measures, hitherto adopted, effectually to remedy the defects inherent in the design and construction of the first ranges of the European Infantry married quarters built at this station, on which I have reported from time to time within the last four years. I ordered, therefore, certain alterations to be at once carried out to No. 1 Range, for which the accompanying estimate of Rupees 665 provides, and for which a grant from the Reserve is requested. The other semi-permanent ranges are not in want of such immediate attention; but it may be necessary hereafter to treat them in the same way as No. 1 Range, viz., to substitute stone-in-chunam partition walls for mud bricks, and on them to rest the weight of the heavy double-tiled roofs on ridge poles and purlins, instead of trusting to unseasoned junglewood couples.

No. 458. ORDER THEREON, 20th May 1867, No. 1,514.

MILITARY WORKS, No. 36.

* Rupees 665.

The Government sanction the proposed alterations to No. 1 Range of European Infantry married quarters at Cannanore, in the Malabar District, and direct that the cost* of the work be

charged to the Reserve under "Military."

Estimate No 6.

Rspees 865

On my last visit to Cannanore
in March the Executive Officer brought
to my notice the insufficiency of all
remedial measures hitherto adopted,
effectually to remedy the defects in-
herent in the design and construction
of the first Range of the European Dr.
Garrison Quarters built at this Station,
on which I have reported from time
to time within the last 4 years. I ordered
therefore certain alterations to be at
once carried out to No. 1 Range, for
which the accompanying Estimate of
Rs 865 provides, and for which a grant
from the Reserve is requested. The
other Semi-permanent Ranges are not
in want of such immediate attention,
but it may be necessary hereafter to
treat them in the same way as
No. 1 Range, viz. to substitute stone
in Chianam partition Walls for mud

Bricks, and in them to rest the weight
of the heavy double-tiled roofs on ridge
poles & purlins instead of trusting to
unseasoned junglewood. Ample.
