*Proceedings of the Madras Government, Public Works Department,
23rd May 1867.*

No. 568. Read the following letter from Mr. P. GLEESON, Madras, to the Secretary to Government, Public Works Department, dated Madras, 20th May 1867:—

1. I respectfully beg that you will be pleased to submit to Government this my application for re-employment in the executive branch of the Public Works Department.

2. I originally entered the Department in March 1854 as an Assistant Overseer, and continued in it until July 1857, when I was remanded to my corps in consequence of certain reductions which had been ordered by Government. During this period I was employed in the Bellary District, and served under several Officers, amongst whom were Major Jones, Captain Temple, and Lieutenant Hunter, who have all borne testimony to my usefulness. I understand surveying, levelling, and plan drawing, and have had considerable experience in the construction of roads and bridges, as well as in brick-making.

3. Under these circumstances, I venture respectfully to beg that, in consideration of my past services you will kindly recommend my case to the favourable consideration of Government, with a view to obtaining for me exemption from the Special Test which is prescribed for Talook Overseers in the Public Works Department.

4. I beg to add that Major Moberly, the Superintending Engineer of the 3rd Division, is willing to employ me if I can obtain the exemption which I now humbly solicit.

No. 569. ORDER THEREON, 23rd May 1867, No. 1,563.

ESTABLISHMENT, No. 52.

As a large number of passed Candidates will shortly be available from the Civil Engineering College, the Government regret that they cannot comply with the present application until those parties have been provided for.
