No. 306. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 11th May 1867, No. 191 :—

I have the honour to forward, for the sanction of Government, the accompanying plan and estimate of Rupees 2,220, for repairs, alterations, and improvements to the Collector's Cutcherry at Trichinopoly. For want of accommodation Mr. Banbury proposed that two additional rooms, as shewn in the plan, should be provided for, and the guard-room verandah, the roof of which is stated to be dangerous, to be raised and terraced. The Cutcherry, in its present condition, is approximately valued at Rupees 25,000.

Referred to the Revenue Department.
