Proceedings of the Madras Government, Public Works Department.
27th May 1867.

No. 619. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 17th May 1867, No. 157:—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 16th May 1867, No. 178.

1. With reference to paragraph 3 of my letter of the 13th instant, No. 176, I have the honour to ask your perusal of the accompanying copy of a communication from Mr. Beresford Anderson, No. 265, reporting that the Consulting Physician has strongly advised Mr. Going not to return to the North-West Line until after the hot season.

2. Under these circumstances, I have, upon Mr. Anderson's recommendation, appointed Mr. Edward Johnston, Acting Deputy Chief Engineer on Construction, his duties in connection with District XIII., North-West Line, devolving temporarily upon his Assistant, Mr. Coombe.

From the Acting Chief Engineer, Madras Railway Company, to the Agent and Manager, Madras Railway Company, dated Madras, 16th May 1867, No. 265.

1. I regret to say that the Consulting Physician has strongly advised Mr. Going not to return to the North-West Line until after the hot season, he will therefore be unable to act for me as Deputy Chief Engineer on Construction during Mr. Smart's absence.

2. I beg to recommend, however, that Mr. Edward Johnston be appointed to the post. The plans of Mr. Johnston's district are now finished, and as some time must necessarily elapse before the commencement of work, his services are available. His Assistant, Mr. Coombe, can take charge of the district in his absence.

Submitted for the information of Government, with reference to observations No. 150, dated 15th May 1867.
