MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 1595 Press
623-626 Mrs.
Dated 27-6 1864.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
27th May 1867.

No. 623. Read the following letter from W. FRASER, Esq., C. E., Executive Engineer, to the Secretary to Government, Public Works Department, dated Mount Road, Madras, 21st May 1867, No. 33 :—

1. I have the honour to forward a copy of the detailed Estimate and Specification for the works proposed for the enlargement of Chembrambakkam tank.

If the Report is to be printed, the Specification might be added at the end, this would make the Report complete.

2. I trust that I shall be excused for suggesting that this Report might be published as one of the *Madras Irrigation Series*, after the manner adopted in Bombay and elsewhere. Should this suggestion be acceded to, I could have so many of the drawings as would be required to illustrate the Report, reduced in my Office.

3. I would also request permission to correct the proofs myself, for although the Government Printers are unusually accurate, mistakes are occasionally made ; and, besides, there are few whose writing will bear being put into permanent type without some previous emendations.

No. 624. ORDER THEREON, 27th May 1867, No .1,595.

IRRIGATION, No. 37.

1. The full number of copies of Mr. Fraser's Report on the project for the "enlargement of the Chembrambakkam tank" having been struck off, the Government are unable to comply with the request in paragraph 3.

2. The suggestion in paragraph 2 will be considered hereafter.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To W. Fraser, Esq., Executive Engineer.
