*Proceedings of the Madras Government, Public Works Department,*
*18th January* 1867.

No. 337. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 3rd January 1867, No. 200:—

* No. 36 of 1866-67.
1 Plan.
1 Estimate.

I have the honor to forward a plan and estimate* of Rupees 775 for constructing a shed for the Sentry to walk in, at the Magazine at Wellington, drawn up by desire of the Military authorities, and sanctioned by His Excellency the Commander-in-Chief. Should the sanction of Government be accorded, the work may be carried out in the current official year from savings from allotments of other Military works, of which details will be reported hereafter.

No. 338. ORDER THEREON, 18th January 1867, No. 165.

MILITARY WORKS, No. 20.

1. With this letter the Superintending Engineer of the 7th Division submits an estimate amounting to Rupees 775 for the erection of a shed, for the Sentry to walk under, near the Magazine at Wellington.

2. The Government consider the provision of a shed on the plan submitted by the Superintending Engineer to be unnecessary, and the proposed expenditure excessive. They are of opinion that a large Sentry box would afford sufficient protection from the weather, and they accordingly request the Superintending Engineer to take measures for providing such shelter at an early date from the allotment for Minor New Works in the Coimbatore District.

(True Extract.)

Colonel, R. E.,
*Secretary to Government.*

To the Superintending Engineer, 7th Division, with one Plan and one Estimate.
