*Proceedings of the Madras Government, Public Works Department,
6th June 1867.*

No. 118. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Camp, Dowlaishweram, 28th May 1867, No. 61 :—

1. With reference to G. O. No. 1,494, of 17th instant, I have the honour to observe that Captain Darrah, the Executive Engineer lately in charge of Berhampore Range, reported that the earth-work of the loop-road north-east of Berhampore was completed, and with an outlay of Rupees 900 on masonry works the road could be used. He therefore requested that the sum of Rupees 900, granted in G. O. No. 671 of 5th March 1867, for branch road between Berhampore and Itchapore, might be advantageously transferred to the above specified road. The sum was accordingly transferred by Colonel Moberly and spent on it, but the fact of obtaining the necessary sanction of Government to the transfer appears to have been overlooked through an oversight.

2. I beg also to explain that the discrepancy noticed in paragraph 13 of the G. O. under reply, has been occasioned by a clerical error, Rupees 3,700 being the correct balance of the estimate for improvements to the Civil and Session Court at Vizagapatam.

No. 119. ORDER THEREON, 6th June 1867, No. 1,695.
