No. 130. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Camp, Keenanore Aicut, 29th May 1867, No. 39 :—

* No. 1,273.

Total ...			900

1. I have the honour to bring to the notice of Government, with reference to paragraph 5 of their Order* of the 29th April last, that the extra office establishment, noted in the margin, is absolutely necessary to enable the Executive Engineer, Bangalore, to clear off the arrears of plans and estimates of Military Buildings proposed at that station, and to request that early sanction may be accorded thereto.

2. In my letter recorded in the G. O. above quoted, I applied for the services of two Draughtsmen and two Estimators; and now it appears from the G. O. that Captain Tulloch's special establishment is to return to Bangalore by the end of the current month. Of the two individuals in this establishment only one is a Draughtsman and Estimator, and the other is an Accountant. I have now, therefore, applied only for the services of two Draughtsmen and one Estimator.

3. I believe Lieutenant Pennycuik will, with the aid of this and of Captain Tulloch's establishment, be able to furnish all the plans and estimates that are in arrears, in the space of six months.
