*Proceedings of the Madras Government, Public Works Department,

No. 195. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 25th May 1867, No. 44 :—

1. I have the honour to submit for sanction the accompanying plan and estimate of Rupees 13,560, for converting the Government bungalow at present used as a Barrack for the Artillery
- 2 Plans.
- 1 Estimate, No. 12, Rupees 13,560.

Drivers at Cannanore into a Hospital, to be attached to the new Artillery Barracks at that place, in rear of, but commanding and well separated from, which its compound is situated. I was present when the site was selected by Sir Hope Grant in 1863 as that for the future Artillery Hospital, and the adaptation of the existing building for the purpose has been planned by the Executive Officer in communication with the Garrison Surgeon. His rough drafts were shown by me to the Brigadier General Commanding Malabar and Canara in November last, and his approval (confirmed by that of His Excellency the Commander-in-Chief) obtained for such a work in lieu of a new building.

2. The allotment of this year for the new Artillery Barracks and Married quarters (Item No. 44 of Budget) falling short of the sum required to complete them by Rupees 13,154, and it being desirable and quite possible to finish them and the Hospital before the monsoon of 1868, I have the honour to recommend an increased total allotment for the works, as a whole, to Rupees 50,000, by transfer of, Rupees 18,111 from Item No. 56, the new Lawrence Asylum, from which that sum can be spared.

No. 196. ORDER THEREON, 10th June 1867, No. 1,729.

MILITARY WORKS, No. 15.

1. The Government sanction the estimate of Rupees 13,560 submitted with this letter for converting the Artillery Drivers' Bungalow at Cannanore into a Hospital for the use of the Garrison Battery of Artillery at that Station, and direct that the amount be added to Item No. 44 of the current year's Budget.

2. The proposed transfer of Budget* credits is approved, but it is not clear how the sum of Rupees 18,111 mentioned in paragraph 2 has been arrived at, and Colonel Walker will report more fully on the subject. It would appear from the marginal statement that the amount required to complete the whole of the works is Rupees 26,715.

* Rupees 18,111 from Item No. 56 to Item No. 44.
