Proceedings of the Madras Government, Public Works Department,
10th June 1867.

No. 206. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 4th June 1867, No. 336 :—

With reference to G. O. No. 4,027, dated the 20th December last, I have the honour to inform you that the Officer in charge of No. 1 Range, Trichinopoly, has lately applied to me for instructions regarding the collection of materials for the Nundyaur anicut extension project. As Captain Oakes doubted whether actual arrangements for the commencement of the work could be made before the approval of the Government of India regarding the substitution of the work for the Cheyaur channel extension in North Arcot, Item No. 161 in Budget, was communicated, I have the honour to request that I may be informed if the necessary preparation of materials for the work may be undertaken, or if it is first necessary that the attention of the Government of India be again drawn to the subject.

No. 207. ORDER THEREON, 10th June 1867, No. 1,735.

IRRIGATION, No. 10.

The Nundyaur anicut extension project having been passed by the Government of India, in their orders on the Budget for the current official year, the Superintending Engineer is authorized to proceed with the work.
