*Proceedings of the Madras Government, Public Works Department,
13th June 1867.*

No. 290. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Hullegalwadah, Hurpenhully Talook, 3rd June 1867, No. 589 :—

1. I have the honour to forward the accompanying original letter from Mr. Sub-Engineer Blacker.

2. As Mr. Blacker, in paragraph 2 of his letter, uses strong language, and considers that I have wrongfully found fault with him, I beg to submit his Inspection Reports during the past official year, and leave it for Government to say whether I have been hard upon him. During the past year I have written several times to Mr. Blacker about his inspections.

No. 291. ORDER THEREON, 13th June 1867, No. 1,773.

ESTABLISHMENT, No. 32.

1. The Government do not see anything in Mr. Blacker's case to give him cause of complaint, or to justify the

tone of his letter to the Superintending Engineer.

2. From a careful examination of his Inspection Reports for the eleven months ended 31st March last, the Government are satisfied that Mr. Blacker has been treated with the utmost liberality, for although he remained at his fixed station for no less than 193 out of 335 days, Major Moberly appears to have passed to him the full travelling allowance of a Sub-Engineer for 210 days and horse allowance at the rate of Rupees 30 per mensem for 125 days.
