*Proceedings of the Madras Government, Ecclesiastical Department,
5th June 1867.*

No. 3. Read the following letter from the Right Reverend the Bishop of Madras, to the Right Honorable the Governor in Council, Fort Saint George; dated Madras, 25th May 1867, No. 17.

I have the honor to bring before your Excellency in Council the following information, which has been given to me by the Chaplain of Cuddalore, and one of the Trustees of Pondicherry Church, Mr. J. Pernon.

- (1).—That the present English burial ground at Pondicherry is full.
- (2).—That the Governor of Pondicherry has generously promised to give an adjoining piece of ground, so soon as he is certified that it will be enclosed by us for the purpose of burials.
- (3).—That the cost of levelling and enclosing the ground, so as to make it an extension of the present cemetery, is likely to be Rupees 500.
- (4).—That the English community at Pondicherry possess no funds for meeting the required outlay.

2. I respectfully request that your Excellency will be pleased to consider favorably this want of the Protestant Christians at Pondicherry; and, if there be no sufficient objection, to take steps for extending the present cemetery, by the levelling and enclosing of the ground now offered by the French Government.

3. The Native Protestant Clergyman at Cuddalore, in connection with the Society for the Propagation of the Gospel, having represented to me that there is no place for the burial of any Native Protestant Christians who might die at Pondicherry, I have the honor to inquire further whether there would be any objection to the setting apart of a small portion of the proposed additional burial ground for the graves of Native Christians.

No. 4. ORDER THEREON, 5th June 1867, No. 127.

Under the circumstances stated in the foregoing letter, His Excellency the Governor in Council approves the extension of the cemetery at Pondicherry, and also the allotment of a portion of the extension for the burial of Native Christians.

2. The necessary orders will be issued in the Public Works Department for levelling and enclosing the additional ground.
