No. 298. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 3rd June 1867, No. 30 :—

1. I have the honour to forward a Statement showing the excesses and savings in the sanctioned allotments under different main heads* in the 2nd Division, for the past official year (1866-67), and solicit the sanction of Government for the required transfer of funds from one head to another, as an authority for the Controller of Public Works Accounts to make the necessary adjustments in his books.

2. The excess over the allotments was chiefly under "Agricultural," and was caused by certain emergent irrigation repairs being needed in the Kistna Delta, for which no sums could be saved from other appropriations of the same source as was at first anticipated.

3. The Controller in his letter No. 521, of 22nd ultimo, has desired me to obtain the sanction of Government for the excesses shown in the accompanying Statement.
