*Proceedings of the Madras Government, Public Works Department,
14th June 1867.*

No. 311. Read the following letter from the Acting Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 6th June 1867, No. 657:—

1. I have the honour to request instructions from Government as to the amount of Staff salary to be drawn by Captain Moberly, who has lately been appointed to succeed Lieutenant Filgate as Examiner of Railway Accounts.

2. In G. O. No. 2,674, dated 23rd August 1866, the *Staff salary* attached to the appointment in question was, with the sanction of Government of India, fixed at Rupees 400 per mensem, rising to Rupees 500 after two years' approved service, without reference to the Military allowances of the incumbent.

3. In a letter from the Government of India, communicated with G. O. No. 1,341, dated the 3rd ultimo, it was ruled that the *salary* of the Examiner of Railway Accounts in this Presidency should not exceed that sanctioned for the corresponding post under the Bengal Government, viz., Rupees 600 per mensem, rising, by annual increments of Rupees 50, to Rupees 700 per mensem.

4. If a *Staff salary* of Rupees 400 per mensem be passed to Captain Moberly, in addition to the pay of his rank in

but, from the wording of the Government of India's letter dated the 13th April last, No. 593 E, it is not clear whether the limit therein laid down was meant to be applied only in cases when the appointment in question should be held by a member of the Uncovenanted service.
