1. With reference to paragraph 2 of my letter, printed with G. O. No. 918 of 25th March, I have the honour to submit, for sanction, plan and estimate for a Sub-office and Overseer's shed at Pollachy, where such accommodation is much wanted; and request permission to appropriate Rupees 500 for the purpose from the grant under the head of "Minor New works" "Communications."

Plan and Estimate No. 11, Rupees 500.

2. The building is none too large for storage of tools alone, and the only saving I could make would amount to Rupees 50, by substitution of whitewashing for plastering, and mud for a chunam floor. I propose also that the store-room shall be entered only from the office-room, and be behind instead of beside it; that ridge poles and purlins be substituted for couples, and that the doors should be half a foot wider and lower than shown in plan.
