*Proceedings of the Madras Government, Public Works Department,
15th June 1867.*

Read the following papers:—

No. 346. From the Superintendent of Marine, to the Secretary to Government, Public Works Department, dated Madras, 6th June 1867, No. 2,103.

* No. 1,233, June 3rd, 1867.

In forwarding the accompanying extract from a letter* from the Acting First Assistant Accountant General, I have the honour to explain that the Superintending Engineer, 1st Division, applied for a transfer of 13 Rupees, wherewith to execute some petty repairs to the Poondy Flagstaff, which I had sanctioned. A sum of 100 Rupees having been admitted in the Budget estimate of 1867-68 for contingencies for this staff, the Accountant General was requested to transfer the necessary amount to your department. This Officer, however, as you will perceive, directs that the work be executed from Public Works Imperial Funds, agreeably to an Order of the Supreme Government of the 23rd May 1866, No 606, and I have to request you will be pleased to issue the requisite instructions, as the Superintending Engineer of the division has just informed me that he cannot give orders for the work till the transfer has been effected.

Extract from a letter from the Acting First Assistant Accountant General, dated 3rd June 1867, No. 1,233.

"Has the honour, by direction of the Accountant General to state that interdepartmental adjustment for petty amounts having been prohibited by the Government of India, you are requested to apply to Government, Public Works Department, to have the work done from Public Works Imperial Funds, agreeably to the Order of the Supreme Government, Financial Department, No. 606, dated 23rd May 1866."

(True Extract.)

Assistant to the Superintendent of Marine.

No. 347. From the Superintendent of Marine, to the Secretary to Government, Public Works Department, dated Madras, 13th June 1867, No. 2,178.

1. In reply to your Official Memorandum of the 11th instant, No. 129, I have the honour to inform you that there are no Port Funds available to defray the cost of the repairs required to the Poondy Flagstaff.

2. As stated in my letter of the 6th instant, No. 2,103, the sum of Rs. (100) one hundred was inserted in the Budget estimate for contingencies at this Port during the current official year. This sum was admitted by the Supreme Government as a Marine charge not debitable to a Port Fund.

No. 348. ORDER THEREON, 15th June 1867, No. 1,802.

CIVIL WORKS, No. 48.

The Superintending Engineer of the 1st Division is requested to provide for the repairs required to the Poondy

Flagstaff from his Imperial Repair allotment.
