2. These buildings were occupied by the Light Cavalry prior to 1864, when they were ordered to be altered so as to adapt them for the head-quarters of the Sappers, at a cost of Rupees 24,940—*Vide* G. O. 2,975, dated 15th October 1864. The buildings are very old. The timber of the roof is jungle-wood, rotten, and generally in a dangerous condition, and the roof of the verandah of the Barrack and Survey School has too slight a slope and is too low in front, the bottom of the breast summers being only six feet from the ground.

3. It is now, therefore, proposed to renew the whole roof by substituting proper teak-wood rafters, &c., and to raise the verandah pillars one foot and the walls and inner pillars two feet, and also to carry out the other ordinary repairs required to the Barracks.

4. The estimate was prepared on the requisition of the Major-General Commanding the Division, and it has been approved by His Excellency the Commander-in-Chief.

5. The amount of estimate exceeds one-fourth the value of the buildings, and the grant of Rupees 25,070,* under the head Repairs "Military" for Bangalore, cannot bear the proposed outlay. I

therefore request that the Government will be pleased to sanction the sum from the Reserve under "Military."

No. 464. ORDER THEREON, 21st June 1867, No. 1,857.

MILITARY WORKS, No. 32.
