In reply to your letter, dated 10th April 1867, No. 67, I am directed to state, that when an Uncovenanted Servant pensioned on reduction of establishment, is subsequently re-employed on a permanent establishment, there can be no objection to his former service being allowed to count towards a higher pension, and that a refund of the pension drawn by him in the interval between the two periods of service is not necessary. This, of course, does not affect the present rule requiring the refund of gratuity in a similar case
