*Proceedings of the Madras Government, Public Works Department,
22nd June 1867.*

No. 475. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 15th June 1867, No. 179.—

Read the following letter from the Agent of the Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 13th June 1867, No. 2,335.

I shall feel obliged by your obtaining the sanction of Government to my applying to the Board of Directors to send out a Fitter in place of Fitter Charles Howcroft, whose agreement I am obliged to cancel. The Consulting Physician reports that this man is subject to fits, and as his duties call upon him to be constantly moving about machinery in motion, great risk to life and limb is thereby caused.

1. Submitted to Government with a recommendation for sanction to the Agent's application.

2. In G. O. No. 1,262, dated 29th April 1867, Government approved of application being made for an additional Fitter in the room of James Cox promoted. The Fitter now wanted is to take the place of Fitter Charles Howcroft, whose state of health is reported to be such as to disqualify him for the work.
