Judicial Department, 5th Oct. 1866, No. 1,562.
Public Works Department, 18th May 1867,
No 1,505.

1. With reference to the Orders of Government noted in the margin, I have the honour to state that the Inspector General of Police informs me that

permanent guard-room accommodation at the Cannanore Central Jail for one Inspector or European Head Constable and for fifteen Policemen will suffice. Such being the case, the size of these buildings and of the central tower may be considerably reduced. In the guard-rooms accommodation for one Inspector, fifteen Policemen, and five Warders will be sufficient, and the dimensions of the central tower may be diminished, so as to afford room for five men on each floor.

2. The Inspector General further states that permanent hutting accommodation will be required at each Central Jail for fifty men, three of the huts to be suitable for Head Constables, two being fit for European or East Indian Head Constables with their families. I herewith forward a plan of huts recommended by the Inspector General of Police for the men, and I have requested him to furnish me with another, showing the description of hut required for the Head Constables.

Transferred to the Public Works Department.
