*Proceedings of the Madras Government, Public Works Department,
26th June 1867.*

No. 555. Read the following letter from the General Superintendent of Public Works Stores and Workshops, to the Secretary to Government, Public Works Department, dated Chepauk, 14th June 1867, No. 262 :—

1. With reference to the Orders of Government No. 3,582, of the 12th November 1866, I have the honour to inform you that, on the 7th June 1867, I furnished a Statement to the Controller of Public Works Accounts of the financial position of the Presidency Workshop for the year 1866-67, showing a balance in favour of the Workshop amounting to Rupees (8,963) eight thousand nine hundred and sixty-three.

2. I trust that as I received no advance from Government to open or carry on the operation of the Workshop for the first year, the application contained in my letter of the 5th November 1866 may receive the favourable consideration of Government, supported by your recommendation and that of the Under Secretary, Major J. H. M. Shaw Stewart, R. E.

Forwarded through the Under Secretary to Government, Public Works Department, in charge of Public Works Stores and Workshops.

No. 556. ORDER THEREON, 26th June 1867, No. 1,905.

CIVIL WORKS, No. 66.

The Government are glad to receive this favourable report of the financial position of the Public Works Workshop at Madras, but they regret their inability to apply for any increase to the salary of the General Superintendent until they are placed in possession of the "report on the out-turn of work," which was called for in the Orders of the Government of India, communicated in Proceedings of the 7th October 1864, and 19th September 1866, Nos. 2,899 and 3,012 respectively. Mr. Moncrieff will be good enough to expedite the submission of that report, which should give a clear analysis of the work turned out in detail, as well as a statement of the financial results.
