*Proceedings of the Madras Government, Public Works Department,

No. 570. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 22nd June 1867, No. 54 :—

No 133, dated 13th June 1867.
,, 1,173, ,, 16th April ,,

1. I have the honour to state, in reply to your Memorandum and the G. O. noted in the margin, that the only works

in this division on which convict labour is proposed to be employed, to a certain extent, are the improvements to the Jails at Salem and Cuddalore; and the estimates not having been sanctioned, and the works not having been actually commenced as yet (except the collection of some materials), the G. O. under reply has not involved any payment for police-guard.

2. The plans and estimates for additions to the Salem Jail were forwarded on the 7th April 1867, for the approval of the Inspector General of Jails; but as he returned them on the 25th May 1867, suggesting certain alterations in the designs, they are now being revised by the Assistant Engineer, Salem Range, and the requisite provision for the guards will now be made in the estimates.

3. The plans and estimate for improvements to the Cuddalore Jail were submitted to Government with my No. 34, of the 21st May 1867, and no police-guard was provided in the estimate, as the requisite information was not then ready. It has
