*Proceedings of the Madras Government, Public Works Department,
28th June 1867.*

No. 616. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 17th June 1867, No. 436 :—

With reference to G. O. No. 2,094, of the 4th July 1866, I have the honour to submit, for the favourable consideration of Government, letter No. 17, dated 31st May, from Captain Hasted, and under the circumstances therein stated, I beg to recommend that Acting Overseer Puthmanaba Naidoo be allowed six months' leave from the 1st September next, to enable him to prepare for the examination.

From the Executive Engineer, in charge of No. III. Range, to the Acting Superintending Engineer, 6th Division, dated Tranquebar, 31st May 1867, No. 17.

1 I have the honour to call your attention to G. O. No. 2,094, dated 4th July 1866, granting to Talook Overseer Puthmanaba Naidoo a year's time to prepare himself to pass the required examination.

2. The year will expire on the 31st August 1867. In my opinion, it is hardly possible that a Talook Overseer in charge of an important talook, up-country, can prepare himself to pass an examination. The only time he has to study is at night, or some times on Sundays, and that without any assistance whatever.

3. Talook Overseer Puthmanaba Naidoo has already received certificates from the College as Draughtsman and Surveyor, and is now fairly acquainted with the duties of an Overseer. He is remarkably active, and promises to be a very good Overseer, but I don't believe he will be prepared to pass the required examination unless he has leave granted him for the purpose of studying. I would recommend that he may, as a special case, be confirmed without passing the examination, and trust you will bring the matter to the notice of the Secretary to Government.

No. 617. ORDER THEREON, 28th June 1867, No. 1,935.

ESTABLISHMENT, No. 64.

Puthmanaba Naidoo having now been employed in the Public Works Department for nearly two years, and conducted his duties to the satisfaction of his Range Officer, the Government authorize his confirmation in the grade of Talook Overseer from the date of these Proceedings.

To Lieut. Colonel L. G. W. R. C.
S^r. Superintending Engineer 6th Div.

Sir

I have the honor to call your attention to G. O.
N^o 2094, dated 4th July 1866, granting to Saluy Quensen, Pultmanaba
naidee a year's time to prepare himself, to pass the required
examination.

The year will expire on the 31st August 1867.
In my opinion, it is hardly possible that a Saluy Quensen,
in charge of an important Saluy up country, can prepare
himself to pass an examination. The only time he has
to study, is, at night or sometimes on Sunday, and that
without any assistance whatever.

Saluy Quensen Pultmanaba naidee has already
received certificates from the colleges as Draughtsman
and Surgeon, and is now fairly acquainted with the duties
of an Quensen. He is remarkably active, and promises to be
a very good Quensen, but I don't believe he will be
prepared to pass the required examination unless he has
leave granted him for the purpose of studying. I do not
recommend that he may, as a special case, be confirmed
without passing the examination and trust you will bring
the matter to the notice of the Secretary to Government.

I have &c.
Respectfully, Captain R. C.
