Proceedings of the Madras Government, Public Works Department
1st July 1867.

No. 9. Read the following letter from the Acting Superintending Engineer,
1st Division, to the Secretary to Government, Department Public Works,
dated Camp, Dowlaishweram, 13th June 1867, No. 76:—

I have the honour to forward a plan
and estimate, amounting to Rs. 2,843,
for building a calingulah at Thapaswa-
rum; this masonry work is required to
replace a rough stone dam, the only temporary work on the Cocanada canal, and
liable to be damaged or destroyed when the canal is full during the irrigating
season.

No. 10. ORDER THEREON, 1st July 1867, No. 1,943.

IRRIGATION, No. 1.

The Government sanction the
estimate of Rupees 2,843 which is sub-
mitted with this letter for the construc-
tion of a calingulah on the Mundapettah canal near Thapaswaram in the Godavery
District, and, pending future adjustment, grant authority for the execution of the
work from such funds as may be at the disposal of the Superintending Engineer.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 1st Division, with one Specification.

To, The Superintending Engineer
1st Division.

Dowlaiswarum

Sir,

I have the honor to submit
herewith an estimate with Plan and
Specification amounting to Rs ²⁸⁴³ ~~3266~~ for
Thapaswarum Calingulak, on Mundapettah Canal, and request you will be
good enough to obtain sanction & funds
for the same from Government.

2. The object of the work is to ena-
ble me to obtain proper Command
over the water in Mundapettah Canal,
than by means of the present rough
stone dam, which is always breaching,
& whilst lowering water in Mundapettah
Canal it dangerously increases the
supply in Cocanada Canal.
