*Proceedings of the Madras Government, Public Works Department,
1st July 1867.*

No. 18. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th June 1867, No. 1,426 :—

I have the honour to report that the grant of Rupees 3,000 for minor repairs to Military buildings in the North Arcot District, during 1867-68, *vide* page 22 of the Budget, has been fully allotted. Since the location of the 2nd Light Cavalry at Raneepet, two estimates for Military repairs have been called for, and there are now a few awaiting an allotment of funds. Colonel Boileau sanctioned the greater portion of an estimate of Rupees 3,000 for clearing the site of the Cavalry lines at the request of the Military authorities from this allotment. To enable me to meet the demands on account of these estimates, as well as of others, which it is very probable will be submitted hereafter under this head, I beg to recommend that the grant above referred to be raised from Rupees 3,000 to Rupees 4,000, by a transfer to it of a sum of Rupees 1,000 from the allotment Rupees 16,000 for minor repairs to Military buildings in Fort Saint George at the Presidency.

No. 19. ORDER THEREON, 1st July 1867, No. 1,948.

ACCOUNT, No. 4.

The Government sanction the transfer proposed in this letter with the view of supplementing the allotment for minor repairs to Military buildings in the North Arcot District.
