Proceedings of the Madras Government, Public Works Department,
3rd July 1867.

No. 67. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 25th June 1867, No. 1,941:—

1. An estimate, amounting to Rupees 2,650, for extending the blocks of Solitary Cells at the Horse Artillery Lines, Saint Thomas' Mount, so as to increase the number from eight to twelve, was sanctioned in G. O. No. 3,002, of the 19th September 1866, but from want of funds it was ordered to be deferred till the 1st April 1867. Colonel Boileau entered the estimate in the list of those above 2,500 Rupees in amount requiring sanction in 1867-68, but it was not passed with the others in G. O. of the 17th May, No. 1,494.

2. Owing to the emergency of the work, the Superintending Engineer, on the 4th May, ordered the work to be proceeded with, but as no funds are allotted for it, I beg that a grant of Rupees 2,650 may be made by a transfer from the Budget credit on Item No. 10, for completing Barrack accommodation for two troops of Horse Artillery at the Mount, Rupees 40,000.

3. This arrangement is proposed by the Assistant Engineer in charge of the Mount Range, because there would be some difficulty in spending the whole sum, owing to the delay in the sanction of the estimate and in the adoption of a site for the Barracks, though the estimates are now before His Excellency the Commander-in-Chief, and will be submitted to Government on their return.

ORDER THEREON, 3rd July 1867, No. 1,973.

No. 68. Under the circumstances explained in this letter, the Government authorize the diversion of Rupees 2,650 from Item No. 10 of the current year's Budget to the additional Solitary Cells in the Horse Artillery Lines at Saint Thomas' Mount in anticipation of the sanction of the Government of India.
