P. W. DEPARTMENT.

G.O. No. 1976 Press Mis.
73-74.
Dated 3-7- 1867

***Not to be folded or roughly handled***

No. 73. Read the following letter from the Acting Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 25th June 1867, No. 834 :—

1. I have the honour to submit, for the orders of Government, the accompanying letter* from the Controller of Military Accounts, from which it appears that when the Circular† from this Office, regarding the recovery of rents on buildings occupied by the Military Department, was submitted for his approval, that Officer did not observe any difference between the course prescribed therein for the recovery of the rents, and that laid down in the General Order by the Government of India, dated 11th December 1866, No. 460.

* No. 253, dated 8th June 1867.
† ,, 23 of 27th February ,,

2. The difference lies in this: that, whereas the former requires the statements of demands to be sent direct by the Barrack Master, and other Officers intrusted with like duties, to the Paymasters for recovery of the amounts and remittance thereof to the Executive Engineers, the latter rules‡ that the returns of rents due are to be furnished to the Executive Engineer, who will thereupon submit a statement to the Paymaster, showing the amount to be recovered from each Officer.

‡ Paragraph 4.

3. The shorter course prescribed by this Office Circular is laid down in the Public Works Code‖ of the Government of India, and was adopted with reference to paragraph 5 of Government Order No. 270, dated 28th January 1867; but as the Controller of Military Accounts states that the General Order of the Government of India above referred to cannot be deviated from, I request the permission of Government to modify this Department Circular accordingly.

From the Controller of Military Accounts, Fort Saint George, to the Controller of Public Works Accounts, dated Fort Saint George, 8th June 1867, No. 253.

1. I have the honour, with reference to your letter of the 10th May 1867, No. 429, to state that it is not competent for this Department to deviate from the course prescribed by G. O. G. 11th December 1866, No. 460, in respect to the recovery of rent of public quarters.

2. It was not understood that your Circular prescribed a course substantially different from that laid down by the Government of India, it being assumed that the Engineer Officer must be the Assessor of rent, the Barrack Master furnishing merely the list of quarters.

3. I much regret that the discrepancy in the modes of procedure directed by the Government of India and by your Circular, was overlooked when the Draft Circular was referred to this Office for approval; but, as above explained, this Department is unable to deviate in any material detail from the course prescribed by Government in the Order above quoted.

4. It appears to this Office that the intervention of Engineer Officer as Assessor must be necessary from time to time, and that practically the Barrack Master must submit the lists to him,
