*Proceedings of the Madras Government, Public Works Department,

No. 97. Read the following Proceedings of the Board of Revenue, dated 24th June 1867, No. 3,887 :—

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 23rd May 1867, No. 128.

• From Board, 6th April 1867, No. 2,178.
To do., 6th May „ „ 112.

1. Referring to the correspondence* on the subject of Toll-bar gates for the Municipal Land Sayer Stations

on the frontier of this district, I have the honour to request sanction of the Board for the expenditure of a sum not exceeding 500 Rupees for what is required.

2. The Board will observe, by the enclosed letter from the Superintending Engineer, that the estimated cost by the Range Officer of the Public Works Department is Rupees 700 ; but I consider this sum is excessive, and I have called for a fresh estimate for the gates not to exceed 100 Rupees each.

3. Colonel Foord has no funds from which to defray the cost, and there is no provision in my own Budget, so that I require special sanction for the outlay which may possibly be met from any unexpended monies under other heads.

From the Superintending Engineer, 5th Division, to the Collector of South Arcot, dated Cuddalore, 10th May 1867, No. 38.

The Executive Engineer has prepared an estimate for Toll-bars at the Sayer Stations according to the Presidency pattern. His estimate is Rupees 140 for each, or Rupees 700 for the five. I have the honour to request you will inform me whether you consider the proposed outlay too large, and if so, within what sum you wish the estimate to be confined. There are no funds at my disposal to meet the cost of the gates.

Submitted to Government, Department of Public Works, in view to the necessary instructions being issued to the Superintending Engineer for the construction of five Toll gates for the frontier stations of the district, at a cost not exceeding 500 Rupees.

No. 98. ORDER THEREON, 4th July 1867, No. 1,985.

CIVIL WORKS, No. .

The Board are requested to state from what source the cost of the Toll gates is proposed to be met, as there will be some difficulty in procuring the amount required from Imperial Funds.
