The map shows the northern Adriatic coastline. Key locations marked include Trieste, Gulf of Trieste, Gulf of Genoa, and Liguria. A scale bar indicates 100 km. An inset map shows the location of the study area within the Mediterranean Sea.

Journal of Management Studies, 19(1), 67-80.

This image is a high-contrast, black and white abstract composition. It features a dense, chaotic pattern of dark, irregular shapes against a white background. The shapes resemble ink splatters, heavily textured brushstrokes, or perhaps a close-up of a rough surface. The overall effect is one of intense texture and complex, non-representational forms.

[The page contains extremely faint, illegible markings that appear to be bleed-through from the reverse side of the document.]
