No. 151. Read the following letter from the Inspector General of Jails, to the Acting Chief Secretary to Government, Fort Saint George, dated Ootacamund, 24th June 1867, No. 51 :—

Judicial Department, 1st May 1867, No. 700.

1. With reference to the Order of Government noted in the margin, I have the honour to report that although an improved system of drawing water has been adopted, the large well in No. 5 yard of the Central Jail at Coimbatore is still very dangerous, owing to the large size of the mouth.

2. I have, therefore, the honour to request that instructions may be issued in the Department of Public Works either to have it boarded over and enclosed by a wall, or made safe in some other manner.

3. I annex a rough sketch, showing a section of the well. The mouth is square, and is at present defended by a slight fence of bamboos.

Transferred to the Public Works Department for disposal, in reference to the Proceedings in the Judicial Department, dated the 1st May, No. 700.
