*Proceedings of the Madras Government, Revenue Department,
27th June 1867.*

No. 377. Read the following Proceedings of the Board of Revenue, dated 19th June 1867, No. 3,787.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 31st May 1867, No. 139:—

1. With reference to the Board's Proceedings of the 23rd instant, conveying Order of Government, dated 20th idem, No. 1,131, I have the honour to state, that hitherto there being no verandah to the Press-room of my Cutcherry, I had a thatched pandal put up to prevent the ingress of the great glare and heat which would come through the glasses of the windows, and make it impossible for the people to work especially during the hot weather. The verandah, or some substitute, is absolutely necessary to render it possible to work in the Press-room.

2. The plan and estimate received with the Proceedings herewith are returned.

ENCLOSURES Nos. 1 to 3.—Plan and Estimate.

Submitted to Government, with reference to their Order, under date 20th May 1867, No. 1,131.
