MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Quarter Master General Here enter 13th June 1867, No. ⁵³⁶/₄₀₅₃.
Memo. from the Public Works Department..... „ 19th „ „ „ 48.
From the Quarter Master General, Head Quarters, Ootacamund, 13th June 1867,
No. ⁵³⁶/₄₀₅₃; to the Secretary to Government, Military Department, Fort Saint
George.

I have the honor, by order, to bring to the notice of Government, that Brigadier General DeSausmarez, in a letter reporting on the site proposed for rest-house accommodation at Beypore, alludes to the probability of an extension of the railway to Calicut.

2. If such a proposal is under consideration, the Commander-in-Chief is of opinion that it would be desirable to stay the erection of any buildings of a permanent nature at Beypore, until the question is settled. If the extension should be determined on, His Excellency thinks it would be preferable to have the rest house accommodation at Calicut instead of at Beypore.

3. The plans of the several buildings* required were returned yesterday to the
Superintending Engineer, and if they
are approved of by Government, those at
Erode should be progressed with as quickly

as possible. But if His Lordship in Council concurs with His Excellency in regard to Calicut being fixed on instead of Beypore, it would be well to stop the collection of materials at the latter place.

4. Under any circumstances, tents will have to be pitched at Beypore for the troops the ensuing season; for no works can be carried on, on the Western Coast, before September next: as represented by Colonel Walker, R. E.

Referred to the Department of Public Works.

18th June 1867.

Memorandum from the Secretary to Government, Public Works Department, Fort Saint George, 19th June 1867, No. 48; to the Secretary to Government, Military Department.

The undersigned has the honor to inform the Secretary to Government in the Military Department, with reference to Colonel Hamilton's endorsement on the letter from the Quarter Master General, noted in the margin, that although the extension of the railway to Cannanore,

through Calicut, is under consideration, it is not probable that the construction of the line will be undertaken for some time, and it seems advisable to defer any decision upon the question now raised, till the receipt of the estimate for the proposed rest-house at Beypore. Meanwhile, all preparations for the erection of the building should be suspended.

ORDER, No. 2418, 3rd July 1867.

Ordered that the foregoing memorandum from the Department Public Works, be communicated to the Commander-in-Chief, (Quarter Master General's Department) the erection of the proposed rest-house at Beypore will be stayed, pending further orders.
