No. 210. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 27th June 1867, No. 187 :—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 26th June 1867, No. 221.

1. I have the honour to report, for the information of Government, that consequent upon the departure of Mr. Bradley to England on sick certificate for twelve months, and in accordance with the arrangement approved at the Stores Committee yesterday, I have appointed Mr. A. K. Thomson, the Chief Accountant of the Company, to act as Comptroller of Stores Accounts, without prejudice to his own duties.

2. Owing to the increased responsibility which will devolve upon Mr. Thomson, I shall feel obliged by your communicating authority for his drawing the difference between Mr. Bradley's full pay and that allowed him on sick certificate.

1. The above arrangement is recommended for the sanction of Government.

2. Mr. Bradley's salary is 650£ per annum. When on leave he will draw for one month full pay, for five months half-pay, and for six months more, one-third pay. The difference which would be drawn by Mr. Thomson would amount to about 320 Rupees per mensem on the average, I consider that no more satisfactory or economical arrangement could be made for the performance of Mr. Bradley's duties during his absence.
