MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 22nd June 1867, No. $\frac{591}{4223}$; to the Secretary to Government, Military Department, Fort Saint George.

The Commander-in-Chief has the honor to request that the sanction of Government may be accorded to the demolition of the building; the materials being utilized by the Department Public Works, as suggested by the Executive Engineer.

From the Executive Engineer, D. P. W. No. 1 Range, Trichinopoly, 14th June 1867, No. 381; to the Officiating Deputy Assistant Quarter Master General, Southern Division, Trichinopoly.

I have the honor to bring to the notice of the Officer Commanding Southern Division, the benefits that would accrue from the demolition of the Vellay Calingium, situate within the Fort of Trichinopoly.

It is at present used as a latrine, and the dirt in it, and the stench arising from it, are intolerable.

Being moreover a lofty building of large extent, and situate in a crowded locality, it much obstructs the free circulation of air.

It contains a considerable quantity of good stone which would be of much service to us, and would in value more than re-pay the cost of removal.

Under these circumstances, I shall feel obliged by your obtaining the sanction of Government for the demolition of the building, which is, I am informed, borne on the Quarter Master General's list of buildings.

ORDER, No. 2434, 4th July 1867.

Sanctioned as requested.
