*Proceedings of the Madras Government, Public Works Department,
11th July 1867.*

No. 272. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Department Public Works, dated Tamarupauk, 29th June 1867, No. 1,560 A :—

1. I have the honour to enquire whether Government intend that any work should be done this year towards enclosing the Chepauk compound and the frontage of the Presidency Public Works Stores and Workshop, with an iron railing and enclosure wall.

2. An estimate, amounting to Rupees 24,200, was entered in the Budget of 1867-68, prepared in this Office according to G. O. No. 2,463, dated 6th August 1866, but no funds were allotted.

3. The Superintendent of the Workshops and Stores informed the Superintending Engineer, on the 26th April last, that the iron railings and gates for the Workshops were being landed from the ship "Clive," and that the rails for the Chepauk compound were also daily expected from England.

No. 273. ORDER THEREON, 11th July 1867, No. 2074.

CIVIL WORKS, No. 36.

1. The necessary railing having arrived, the Government authorize the Superintending Engineer of the 4th Division to take measures, in communication with the Municipal Commissioners, for carrying the fence, which now skirts the Government House compound, past the Public Works Store-rooms and the site of the Presidency College buildings to the corner of Pycroft's road.

2. An estimate for this work, amounting to Rupees 5,355,* was sanctioned in the Proceedings of Government of the 22nd October 1864, No. 3,036, and a specific allotment of funds will hereafter be made for the adjustment of the outlay that may be incurred under these orders.
