No. 308. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 3rd July 1867, No. 912:—

1. With reference to the Notification of the Government of India, Financial Department, No. 1,467, dated 23rd July 1866, published at page 210 of the "Fort Saint George Gazette," this Office submitted, for the orders of Government, the question as to whether public servants, provided with a free passage by Government and messed at the Warrant Officers' or Engineers' table, when not provisioned by the master of the vessel are entitled to table money, and the Government in Proceedings 5th October 1866, No. 3,171, ruled that the Notification under reference supersedes all previous orders.

2. Upon the application of the Superintending Engineer, 7th Division, recorded in Proceedings No. 3,554, dated 7th November 1866, the Government have, however, been pleased to sanction table money to Overseer Cripps on account of his having actually paid for his messing while on Board.

3. Upon the authority of that order, Colonel Walker claimed table money in behalf of Messrs. Smithers and Grime, Supervisors in the Public Works Department. The bills have been passed by this Office, subject to the orders of Government upon the present reference, and I have the honour to inquire whether G. O. of 7th November last is to be considered generally applicable in all cases when the passenger does not avail himself of the kind of passage provided in paragraph 5 of the Notification, but takes one of some kind finding his own mess.

4. I observe in Circular Order of the Board of Revenue, No. XLV of 1866, paragraph 4, that the Government have ruled, in the Orders noted in the margin, that second class passengers of the Uncovenanted Civil Service, who may choose to mess themselves on board, are not on that account entitled to any allowance or table money from Government. These Orders, although having reference to the Notification of 23rd July 1866, do not appear to have been communicated through the Public Works Department.

No. 309. ORDER THEREON, 12th July 1867, No. 2,092.

ESTABLISHMENT, No. 29.

1. As Mr. Cripps was entitled, under the Resolution of the Government of India dated the 23rd July 1866, to a free passage as well as messing, but certified that he was not provided with the latter but paid for it, the Government ruled in G. O. of the 7th November 1866, No. 3,554, that he had established a claim to a refund. The case submitted by the Controller is very different, and the conditions on which free passages are granted being now well known, the Government are of opinion that when a Warrant Officer neglects to take advantage of the accommodation provided for him, no claim to the regulated allowance for messing can be admitted.

2. Adverting to paragraph 4 of the Controller's letter, the Government observe that the Order in the Marine Department of the 29th May 1866, No. 132,

was communicated to Captain Fischer, in common with all other Officers, in G. O. 5th June 1866, No. 1,761, and that it bears no reference to the Notification of the 23rd July 1866, as the dates ought to have shown, but to a ruling which was superseded by that Notification. The other Order cited by Captain Fischer cannot be traced.
