No. 337. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 6th July 1867, No. 1,738 :—

1. I have the honour to forward, for sanction from the "Reserve" under the head "Civil Buildings," an estimate amounting to Rupees 1,315, for extending the drains by means of new masonry conduits and iron flange pipes leading into the Cooum river, and for raising the small masonry aqueducts bringing water to irrigate the compound, at the back of Government House, Madras. The estimate also includes Rupees 107 for erecting a fountain and basin in the Banquetting Hall. The work has been very nearly completed and carried out under the orders of the Private Secretary to the Right Honourable the Governor.

1 Estimate.
1 Specification.

2. The balance of the allotment of Rupees 3,500, for repairs to Government House, amounts to Rupees 326 only, but if Government are not in a position to grant sanction from the Reserve, as the work consists partly of the nature of repairs, I can supplement the above balance by an allotment from the grant for other Civil Buildings at the Presidency, and include the expenditure under the head of Repairs.

No. 338. ORDER THEREON, 13th July 1867, No. 2,106.

CIVIL WORKS, No. 47.

Sanctioned. The Superintending Engineer will provide the necessary funds for the adjustment of the outlay that is being incurred.
