Proceedings of the Madras Government, Revenue Department, 8th July 1867.

No. 126. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 3rd July 1867, No. 1,266/37:—

1. Government in their Order* of the 9th June 1866, No. 1,816, have authorized the transfer to the Survey Department of the building at Chepauk formerly occupied as a storehouse by the Department of Public Works, and have in Proceedings† No. 3,815, of 30th November 1866, approved of the estimate of Rupees 495 required to execute certain alterations and repairs, but directed that application for the sum sanctioned should be submitted after 1st April 1867.

* Public Works Department.

† Communicated in G. O. No. 3,316, of 10th December 1866, Revenue Department.

2. On the 10th April last I addressed the Superintending Engineer, 4th Division, requesting to be informed whether sanction for funds had been obtained, and learned in reply that no allotment has been made for the work, although it was entered in the list submitted by him to Government.

Docket No. 1,483 of 24th June 1867.

3. The transfer of the building was solicited to meet the urgent want of accommodation for Survey records and stores, and being in its present state wholly unsuited for the purpose, great inconvenience is felt from the impossibility of keeping a daily increasing amount of records in a state available for reference.

4. I have the honour, therefore, to request that the Government will be pleased to accord their sanction to the execution of this work at once, and, if necessary, the expenditure may be met out of Budget allotment for the Revenue Survey Department for the current official year, as it would be less detrimental to curtail establishment than run the risk of damage to Records, Stores, and Stationery.

No. 127. ORDER THEREON, 8th July 1867, No. 1,516.

Miscellaneous.

1. Orders for the immediate execution of the work will be issued in the Public Works Department.

2. The small amount of cost can doubtless be easily provided.
