Proceedings of the Madras Government, Public Works Department,
15th July 1867.

No. 364. Read the following Proceedings of the Board of Revenue, dated 28th June 1867, No. 4,005 :—

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 21st May 1867, No. 148.

1. In forwarding herewith a copy of a letter, dated 15th instant, No. 26, from the Superintending Engineer, 2nd Division, I have the honour to request that under the circumstances therein set forth, the Board will be so good as to accord their sanction for a sum of Rupees 400 being expended from the Local Funds of the district for the current year for the maintenance of the road completed between Allur and Iskapally.

2. The estimate received with the above letter is herewith forwarded.

From the Superintending Engineer, 2nd Division, to the Acting Collector of Nellore, dated Masulipatam, 15th May 1867, No. 26.

I have the honour to forward an estimate, amounting to Rupees 400, for the maintenance of four miles of road completed between Allur and Iskapally, and request you will obtain the sanction of the Board of Revenue for its expenditure from the Local Funds of the district during the current year, as otherwise the road will deteriorate, and it will become more expensive to repair it hereafter.

Enclosure No. 2.—Estimate.

The Board observe that the maintenance of the road referred to is not properly chargeable to the District Road Fund, as it is purely a Salt road connecting the Salt works at Iskapally with the Northern Trunk Road at Allur. The Government, in the Department of Public Works; will be requested to sanction the charge from the Imperial grant.

No. 365. Order thereon, 15th July 1867, No. 2,120.

LOCAL FUNDS, No. 52.
Civil Works.

The Government regret that there is no money available from the Imperial allotment for appropriation to the maintenance of the road between Allur and Iskapally, which however, although a salt road, may very properly be treated as a local line, as similar roads have been in the Kistna District, in paragraph 13 of the Board's Proceedings of the 18th ultimo, No. 3,766.
