No. 372. Read the following Proceedings of the Board of Revenue, dated 1st July 1867, No. 4,073.

Read the following letter from the Acting Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 8th June 1867, No. 117 :—

1. With reference to No. 2 in the Objection Memorandum from the Board, dated 25th March 1867, No. 319, I have the honour to state that there is no public building in Palghaut suitable for a Cutcherry for the Head Assistant Collector, nor can a private one be rented for the purpose. I submit copy of a letter addressed to me by Mr. Cameron on the subject.

Dated 23rd May 1867, No. 166.

Letter from Collector, dated 28th July 1863, No. 156.
Board's Proceedings, dated 13th August 1863, No. 5,055.
Letter from Collector, dated 17th October 1863, No. 226.
Board's Proceedings, dated 10th November 1863, No. 7,147.
Letter from Collector, dated 6th June 1864, No. 1 4.
Board's Proceedings, dated 15th June 1864, No. 3,664.

2. Want of proper accommodation for the Cutcherry of the Head Assistant was brought to the notice of the Board in the correspondence noted. The plan and estimate were sanctioned in Government Order, dated 30th January 1865, No. 145, and Government expressed their inability to provide for the work in the Budget of 1865-66, in their Order, dated 8th February 1865, No. 371.

3. Provision appears to have been made for the work by the Superintending Engineer in his Budget for 1866-67 ; but I presume Government have struck it out. In the sanctioned Budget of 1867-68 also, the work I find has no place.

4. ' The matter will be brought to Mr. Ballard's notice upon his return.

From the Acting Head Assistant Collector of Malabar, to the Acting Collector of Malabar, dated Palghaut, 23rd May 1867, No. 166.

In reply to your letter of 20th instant, No. 1,180, I have the honour to state that there is no public building in this station available for the accommodation of this office, and I know of no private building that would be suitable for the purpose. The private buildings are almost without exception already occupied, and even if any of them were available they would be quite unsuitable unless they received such additions and repairs as would almost amount to re-building, and which none of the owners would undertake to make.

Submitted to Government, Department of Public Works, with the Board's request that necessary funds may be provided for the construction of the Head Assistant Collector's Cutcherry at Palghaut. The Board observe that an estimate for this work, amounting to Rupees 3,210, was sanctioned in the Government Order, dated 30th January 1865, Revenue Department, No. 148. Under the circumstances stated by the Collector, it appears desirable that no further delay should be allowed in the construction of the Cutcherry.
